Since 1971, the mission of MYB has been to provide the highest caliber of training and performance opportunities to prepare young dancers for a career in the performing arts as well as to provide classes to dancers of all ages and levels in the community.

The Children's Program puts deliberate emphasis on pre-professional achievement with each level carefully crafted to provide the most comprehensive training and coaching in order to produce the high quality dancer that MYB is known for.

The Adult Program is the largest in the region; with over 35 classes weekly, one can dance morning, noon, and night, literally! Some of the finest faculty in the region, most of them from our world-class professional training academy for young dancers, teach our adult classes.
