Celebrating 10 years in Silver Spring

In 2006, MYB was forced from its home of nearly 30 years on Woodmont Corner. An initial relocation to a Bethesda office building immediately proved to be ill-fated as the studio space was inadequate and within a few months, MYB's long-time administrators resigned. The school faced closing permanently.

Thankfully, a new board came together to support Michelle Lees. This new board, led by Charlie Barnett together with several adult students, parents, and friends, searched and found our current location. The subsequent successful move to Downtown Silver Spring would not have been possible without the invaluable pro bono assistance from the people we honor today.

The **MYB Founder's Award** goes to alumni parents, Paul and Patricia DiPiazza. When the school faced closure in 2006, Paul provided the new board with critical legal counsel. Also, MYB has never had a stronger, more loyal, and more positive supporter and volunteer than Patricia.

The **MYB Community Partner Award** goes to the law firm of KattenMuchinRosenman LLP and its Washington, DC attorneys: Brian Corcoran, John Muir, and Seth Messner, for the invaluable pro bono assistance they furnished to MYB in 2006 and for the past 10 years.
